Buchtel Griffin

Buchtel High School Griffin - 1952

We, the Senior Class of 1952, dedicate this book to today's youth, the adults and leaders of tomorrow, who will need strength and initiative. Just as Buchtel is entering adulthood in her twenty first year, may we also take this step gracefully, and help lead the world from troubled times to a full and brighter tomorrow.

We are happy and proud to continue Buchtel's policy of giving this annual, free of charge, to all Buchtel Underclassmen who subscribe to the Talon.

The Senior Class 1952

Nancy Evans, Editor
R. E. Switzer, Advisor

The Senior Griffin committee would like to express their most appreciative thanks to the following individuals and groups, without whom this yearbook would have been an impossible task:

Carpenter's Studio, who gave unselfishly of time and flashbulbs to furnish all pictures;

The senior ad salesmen, our liaison agents to the advertisers;

The 132 advertisers whose aid and ads made the book a reality;

Advertising Homeroom Leaders: Carol Busenburg, Jim Witter, Paula Irving, Fred Michelson, Barbara Myers, Reese Taylor, Paul Worron, Klaus Sorkin.

The organizations, their sponsors, and their co-operation;

To Mr. John Trippe, coordinator of printing services;

And finally to Mr. Ronald Switzer, our sponsor, who gave his valuable time and energy that this book might be a success, we give thanks that cannot be measured in words.

Administration

A ship is only as sound and seaworthy as the captain and mates that steer and are in charge of it. They determine the course and help make the voyage as smooth as possible. So it is with our "scholar-ship." Euchtel's captain is Mr. Schneyer, principal; his mates are Miss Kentschler and Mr. Weber, assistant principals. These three have the full cooperation of a competent crew, our class room teachers. The faculty helps us determine our course, and makes our four year voyage smooth and stormless. No problem is too big or too small for their interest and consideration. They know that problems which are in reality small, loom big on our youthful horizon. With an interest in our present and an appreciation of the value of our future, they carefully prepare us for college and life ahead.

Student Council

The saying goes, a chain is only as strong as its weakest link. The same analogy holds true for a school and its student government. Buchtel is graced by an excellent student council which runs the student activities efficiently and smoothly. The democratic elections of Student Council, class officers, Homecoming Queen, Home Room Representatives, May Queen, and King B are some of the chief functions of the council. There is an ever-ready supply of pencils and erasers for student convenience.

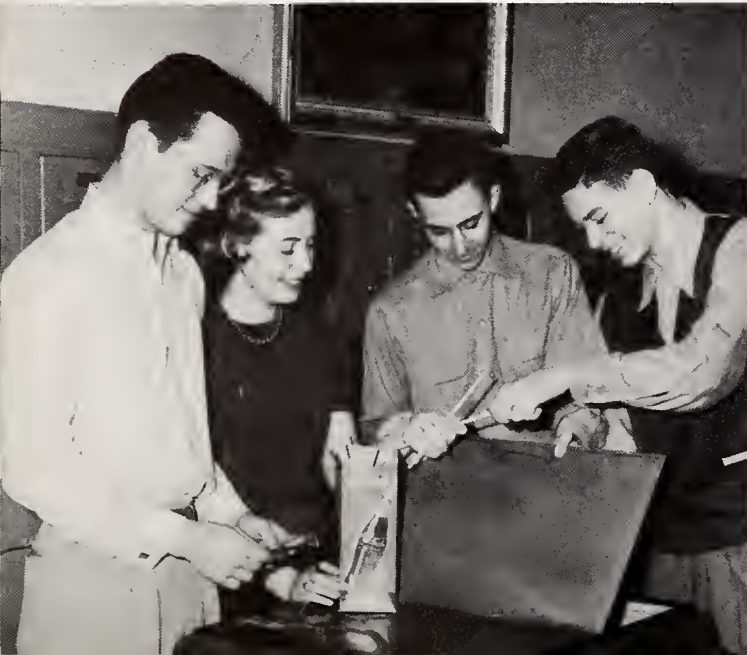

Before school started in September they welcomed the new freshmen with a program and refreshments. Registration Day was the next major service. Council also put on a freshmen stag, a record dance featuring Art Ross, and an open house.

Top left: An executive meeting where Council functions are planned. Left to right are Jon Weingart, Nancy Evans, Bill Baird, Sally Alexander, Martha Rauschenburger.

Keeping the front row in the parking lot clear for teacher's and visitor's cars was one of the less-glamorous jobs for the boys. In the center left hand picture Steve Bodman, Tony Milo, Mr Weiss, advisor, Tom Smith, and Joel Schrank direct a car to the second row.

Dances, one of the main functions, require refreshments. At the bottom left Vic Tsaloff, Carol Busenburg, Dick Hundley, and Martin Fisher serve up cokes.

Straightening up the pencil locker in the bottom right picture are Charlotte Stewart, Betty Brock, Pat de Maine, and Ellen Magerkurth.

Planning Activities

Steve Bodman, Barb Myers, Mr. Schneyer, and Rose Marie Smith are spotting a dance on the master calendar. This is one of the major functions of the Activities Committee, an organization made up of students and faculty members who discuss and plan school events.

Are you interested in what goes on in your school? Of course you are, so the Talon supplies the "latest news the earliest". Standing left to right are Jack Backer, photographer; Nancy Evans, second page editor; Barb Frye, editor; Ellen Magerkurth, first page editor; Shirley Winer, advertising manager. Seated are Jerry Zaslove, fourth page editor; Pat Helper, and Laurene Ekus, third page co-editors.

Social and Service

The Jr. and Sr. Y-Teen clubs are organizations under the Y.W.C.A. of Akron, and sponsor such things as the King B Dance, Christmas chocolates for Europe, All-City Y-Teen Formal, basketball teams, and a Lenten Service. Dr. Hadley gives a talk concerning boy-girl relations at a joint meeting of Hi-Y and Y-Teens.

Pat Nickels, Anita Fichtner, and Ann Smith help pack clothes for European children, a Jr. Y-Teen's project.

Lynn Miller, Louanne Leedom, Pat Moran, and Melva Minck clean the First Aid room as a Sr. Y-Teen project.

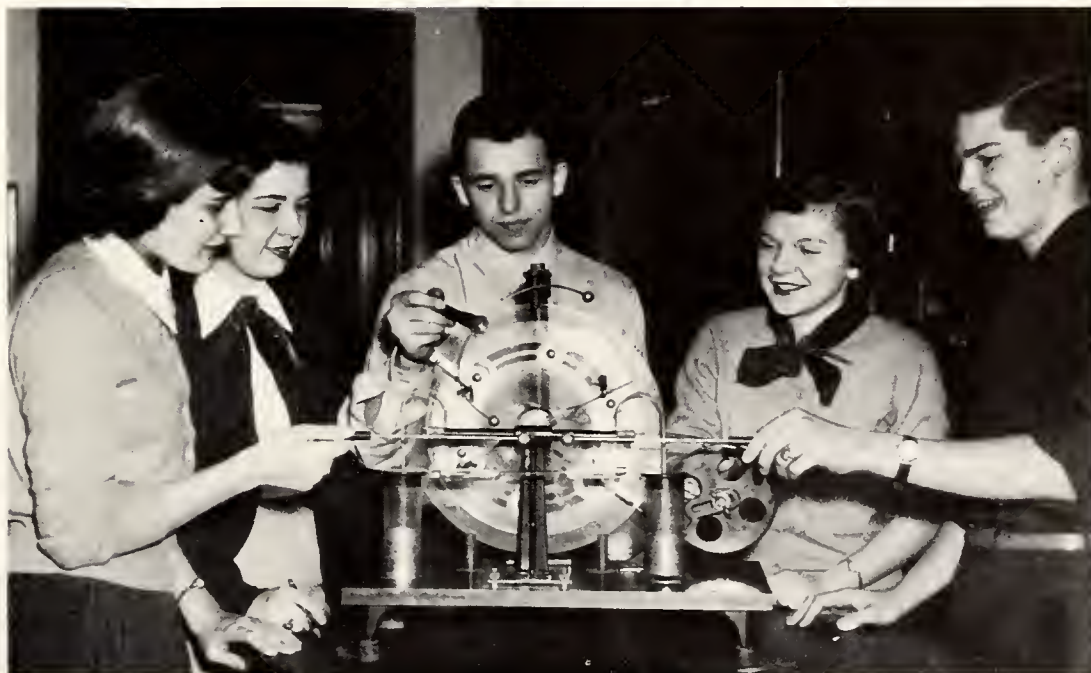

Hi-Y

Bob Gilleland, Chuck Sadler, Ed Christensen, and Joe Fowler are engaged in a Lenten service - a project which helps them to fulfill the Hi-Y purpose of creating, maintaining, and extending throughout the home, school, and community, high standards of Christian character.

Physics

Polly Kistler, Carol Himelright, Leon Speroff, Jan Burgner, and Bob Crumrine are performing a physics experiment with a static electricity machine. This and many other experiments add color to the daily classroom work. Movies, speakers, and field trips extend their study of science into everyday life.

Chemistry

Working in the lab are Marlene Milar, Jack Hakes, Barb Mac Donald, and Bill Lord. In addition to performing experiments, chemistry students learn how chemistry is applied to everyday life by watching movies, hearing speakers, and taking trips.

Com

panionship is one of three principles upon which Comwolei Club is founded. Junior Comwolei members around the piano singing are Alyce Helper, Judy Dawson, Kathy Fisher, and Jean Alspach.

Wo

rk is the next and perhaps most important of these ideals. Comwolei has handled all the special collections, put on Friendship Day, sponsored a dance, and in general been the helping hand around Buchtel. In the picture Lucille Prichard, Sue Brueggeman, and Rae Nau are painting the poster for a dance.

Lei

sure is an important part of the three-phase purpose of Comwolei. While many of the programs for the bi-weekly meetings have been educational, the one put on by the boys, as the picture shows, demonstrates the lighter side of life.

Shutterbugs

Jack Herig and Annette Power are busy at work in the photo darkroom as Charlotte Cranz checks up on a question in procedure.

Grand Right and Left

Swinging their partners, the promenaders have shown great interest in their new club originated and sponsored by Buchtel's principal, O. L. Schneyer.

Latin

Barbara Belden, Tom Harvey, Bob Sholitan, and John Milford, seated, work on a Latin newspaper, one of this year's Latin Club projects.

Dramatics

Mike and Mask members get stage and radio experience as they rehearse the play, "How to Propose".

Speech

Wilma Evans, Steve Subrin, and Phyllis Alspach place their hard earned speech trophies in the trophy case. Under the coaching of Miss Whittington, speech students have gained honors in the fields of oratorical, original, dramatic, and humorous declamation; extemp speaking; debate; etc.

Office helpers, Gwen Taylor, Ruth Lowry, Edna Roll, and Paula Irving act as assistant office secretaries with filing, checking, running errands, and doing general clerical work.

The Treasury staff is composed of book-keeping students who handle the school funds. Going over the records are Elaine May, Foster Juniper, Bob Terry, and Jean Trippe.

The cafeteria helpers, Mickey Mac Monagle, Sam Price, Curt Mears, and Anna Stimatz aid with serving food, checking food prices, and balancing the bills.

Morale builders through thick and thin

The Buchtel Band has grown rapidly under the leadership of Eddie Bonebrake. Here the band is giving a concert for the benefit of the school. The assistant conductor is John Bingam. Buchtel's band is a great messenger of school spirit and follows the football team through the griff season.

Leading the student body in all athletic contests, the cheerleaders have kept a will to win in the team and students alike. Co-captains Barb Myers and Rose Marie Smith have taken charge of pep assemblies and other activities to inspire the team. The cheerleaders clockwise around the huddle are: Julia Kirns, Beth Abbott, Pat Jenkins, Barb Myers, Rose Marie Smith, Carol Keach, Norma Ferriot, and Julie Denison.

To be pretty, and to be able to lead a band are two requirements for a good majorette. It takes a lot of practice to get off a precision formation during half time and provide color for a football game.

Shown are: Alese Brooks, Charlene Caraway, Pat Smith, Yvonne Petry, Jeanne Gravesmill, head majorette, Carolyn Tarbervill, Carol Price, Kathy Mohler, and Lora Rose.

Homecoming

The Homecoming Queen and Court reigned at the Homecoming game and dance with Alese Brooks, junior, voted Queen, with senior attendants: Barb Frye, crowner; Pat Mullins, Ellen Magerkurth, Rose Marie Smith; juniors: Sue McDonald, Julie Denison, and Lora Rose; sophomores: Nancy Green, Pat de Maine; freshmen: Olga Zaremba, Nancy Hitchcock.

What does it take to be a king? The qualifications are high and the prerequisites many. This year they were amply filled by a fellow well liked by all the school, George Auten. Dave Burnham was the First Knight. On the left George is coming through the heart arch to receive his crown. On the right Ellen Magerkurth hands the King his gift while Buddy Wenger looks on.

In The Spring A Young Man's Fancy

The 1952 May Court proved to be one of the finest. At Left, Queen Carol Busenberg is being crowned by Barb Frye. Below, Charlotte Stewart, Anita Fichtner, Pat Moran, Sue Stiller, Lynne Way, Carol Busenberg, Barb Frye, Mickey MacMonagle, Ellen Magerkurth, Martha Rauschenberger, Betty Ann Brock, Robin Messerly. Seated are flower girl, Jeri Moran and ring bearer, Tommy Moran.

May Day Program

Each year Buchtel talent performs in honor of the May Queen and her court. This year semi-classical vocal and instrumental selections were featured.

Music Makes the World Round

Every year the junior and senior glee clubs and orchestra, under the guidance of Mrs. Stoneburner, improve our assembly programs by participating in them. Time and effort are put forth for big occasions throughout the year, including Christmas, May Day, and graduation.

The 1951 graduating class declared their football team "one of the more powerful in Buchtel's history"; the 1952 class will go one step further, without hesitation, and declare the 1952 team the best football team in Griff history with only one or two exceptions. Those are tall words to be sure, but let the 6-2 record (minus playoffs) tops in the city shout for itself.

The Beacon Journal honored four men with all-city posts: Dave Burnham, first string; Dave Klein, Duke Landis, Ron Allio second and third strings. Burnham also found pay dirt often enough to grab city and district scoring titles.

Fine all year team play overshadowed individual performances, hitting the peak in the win over St. Vincent.

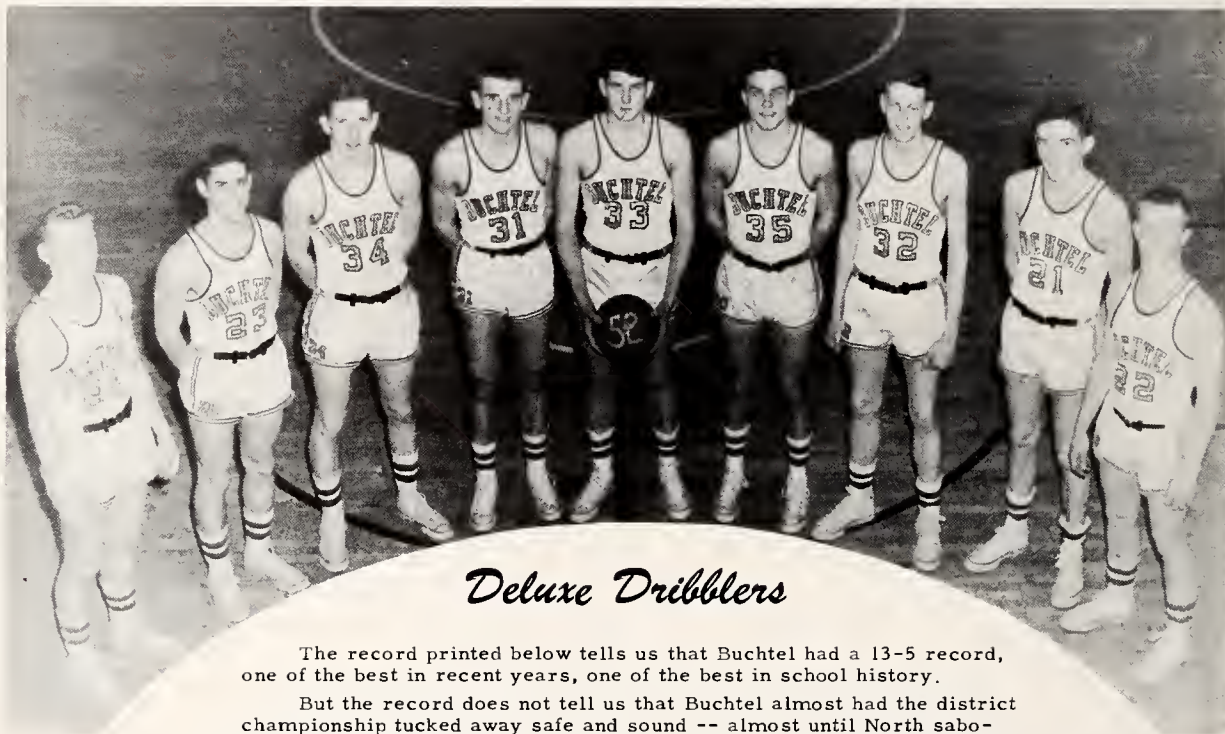

Coach Cook has been left with 16 gaping holes by the graduating seniors. His proven football know-how will have to fill the shoes of George Auten, Bill Baird, Tom Bentz, Dave Burnham, Terry Crislip, George Daverio, Bob Ferguson, Don Ferriot, Dud Frank, Dick Green, Dave Klein, Paul Klein, Duke Landis, Fred Schmidt, and Vic Tsaloff.

Deluxe Dribblers

The record printed below tells us that Buchtel had a 13-5 record, one of the best in recent years, one of the best in school history.

But the record does not tell us that Buchtel almost had the district championship tucked away safe and sound -- almost until North sabotaged the apple wagon. The record does not tell us that the team was one of the best TEAM teams, rolling to a tie for second, behind North in city series play.

Dave Burnham and Joe Magyar placed on all-city first and second teams respectively and the All-tournament team. Along with these two, the play of Sam Prosser, Dick Green, and Jim Witter deserve the highest praise. Jim Monahan, Chuck Keach, Terry Crislip and Joe Wood were right behind, often in front, with an able hand. Diplomas will claim nine of the foregoing, with Joe Magyar and Jim Monahan remaining.

Game of the year

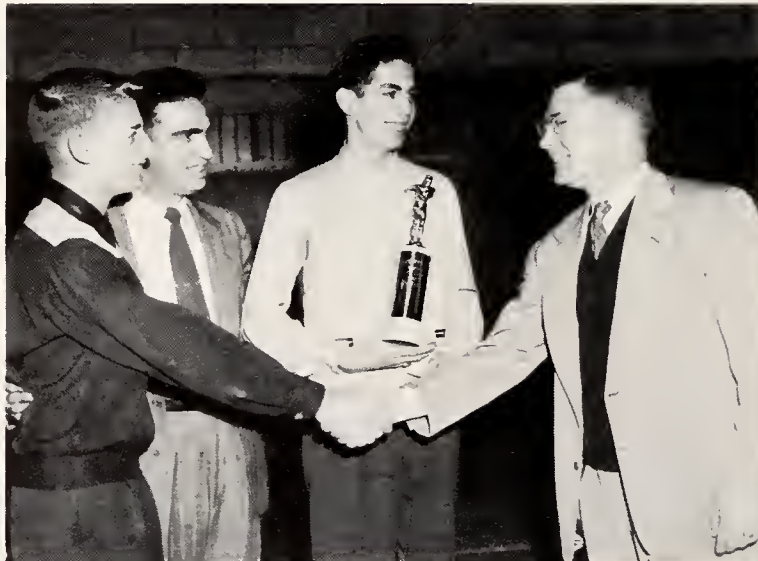

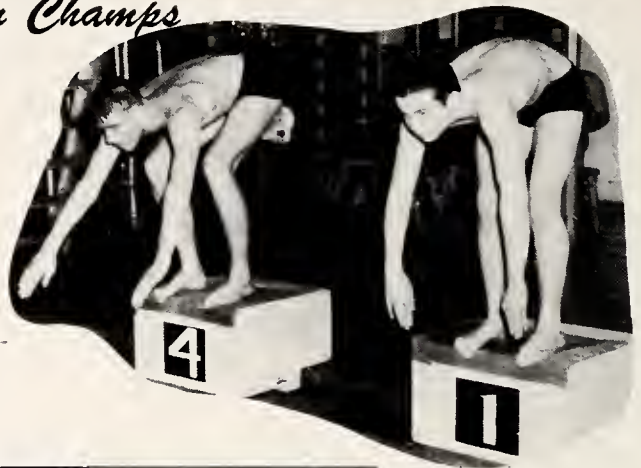

Harry (Frenchie) Schaller seems mighty intent on retrieving the basketball for the glory of the Grand Old Men in the faculty-varsity game; but he doesn't appear to be saying it very "s'vou plais" like. In the background reinforcements in the shape(?) of Mr. Shaffer are arriving.

Taking over the varsity berths in '53 will be a reserve team that, on top of a 9-5 record, broke two Griff reserve marks: points scored in one season, 829; and least scored against them per season, 683. Could be a hint of things to come!

Coach John Speigel, Joe Levey, Dick Tevebaugh, Bob Maddox, Dan Demko, Leon Speroff, Howard Stockton, Al Spencer, Kenny Mykles, Don Braziel, Bill Lewis, Mike Hanigosky, Dave Wood.

City Swim Champs

The picture and trophy above, emblematic of Buchtel's tenth city swimming championship, are swiftly becoming a common sight and habit year after year. But what a habit to get into!

The champs splashed home first in the city, barely getting wet, then grabbed second place to Canton McKinley in the district, finally coming down the wire pulling behind them a sixth place in the state out of 23 teams. The sixth place in Ohio was gained through Bob Macusich's third in the 100 yard freestyle and, a third by the 200 yard relay team (Bannister, Roush, Macusich, Strozier).

Macusich also sent spines a tingling by highlighting the year with two record smashing sprees: against Easthe churned to a new record in the 150 yard medley and in the district meet he shattered the 100 yard freestyle record. Coach Schifano experiencing his first year of handling the coaching reigns, was thrilled about the season and hopes to be around for more years to watch more, bigger and better championships roll through the doors of John R.

L-R: T. Merryweather, Joe Kodish, Holmes Strozier, Denny O'Brien, Bob Macusich, Ted Post.

Back: Coach Schifano, Dave Thomason, Fred Corns, Jon Roush, Bob Reynolds, Dave Roush, Bob Keene, Skip Mell, Ed Bannister.

Diamond Dust!!

Coach Cook put out the welcome mat for almost the same team that captured their divisional crown in 1951.

From top to bottom:

Catchers: Ed Bannister, Bill Lewis, Duke Landis, Jay Gaines, Andy Przelomski.

Outfielders: Al Spencer, Tom Barker, Vic Tsaloff, Jim Witter, Earl Genter.

Pitchers: Frank Burgess, Joe Betterton, Joe Magyar, Earl Genter, Al Ploenes.

Infielders: Bob Crutcher, Dick Green, Dave Roughley, Joe Magyar, Bob Hagen, Emanuel Economou, Bud DeBruin.

Infielders: Richard Drews, Skip Mell, Dick Rea, Fred Magoline, Dick Tevebaugh.

Track and Cross Country

With the season getting into full swing, the wing-footed Buchtelites are preparing with their usual vigor and zest. Sparked by Buddy Wenger and other speedsters, they are looking forward to another successful season in track and field events.

Golf

Buchtel golf teams long noted as one of the most consistent "trophy-bringer-homers" of the school, again have emerged with a team that will take a back seat to few. Dick Golobic, Les Lawrence, Bob Rubenstein, Dick Obermier, Bob Keene, Chuck Keach, Klaus Sorkin, and Fred Frese are smiling for a different type of birdie than that they usually grin about.

Netters of the new courts

This years tennis team, Dave Burnham, Sam Portman, Jerry Zaslove, Jim Monahan, Bob Williams, and Joe Schrank(not shown) was, beside going down in Buchtel history as the first team to use our own courts, the best team in all four positions since raqueteering has been at Buchtel. Joe Schrank and Sam Portman will remain to don the white shorts next year.
